I SAW THEE WEDDED.

BY REV. J. MOULTRIE. I saw thee wedded; thou didst go Within the sacred aisle; My young cheek in a blushing glow. Betwixt a tear and smile. My heart was glad in maiden glee : But he loved it so fervently Was faithless all the while, I hate him for the vow he spoke-I hate him for the vow he broke.

I hid the love that could not die, Its doubts, and hopes and fears; And buried all my misery, In secresy and tears.

And days pass'd on-and thou didst prove The pangs of unrequitted love, Even in thy early years; And thou didst die—so fair and good— In silence and in solitude.

While thou wert living I did hide Affliction's secret pains; I'd not have shocked thy modest pride For all the world contains; But thou hast perished; and the fire, That, often checked, could ne'er expire Again unbidden reigns; It is no crime to speak my vow.

For ah! thou canst not hear it now. Thou sleep'st beneath thy lowly stone That dark and dreamless sleep; And he, thy loved and chosen one, Why goes he not to weep? He does not kneel where I have knelt; He cannot feel what I have felt-The anguish still and deep-The painful thoughts of what has been-The canker worm that is not seen.

The visions that have died ;

And ave thy form is buried there-

A doubt-an anguish-a despair!

But I, as o'er the dark blue wave Unconsciously I ride, My thoughts are hovering o'er thy grave. My soul is by thy side. There is one voice that wails thee yet-One heart that cannot e'er torget

EXTRAORDINARY ELOPEMENT. - From the Memphis Whig of the 16th instant, we gather the following particulars of a most extraordinary elopement. The facts, as near as we can gather them, are these :

On Friday last, Mr. Samuel S. Rembert, one of the wealthiest and most respected planters in this county, living on Big creek, about 12 miles from this city, went to the house of Dr. A. B. C. Dubose, one of his most intimate friends and a relation, we understand, and under a pretence of taking a young daughter of Dr. D.'s to a store to make her a present, took her in his buggy, and the two rode off Mr. Rembert is a married man, and leaves a wife and seven children, the youngest about six weeks old, his wife being a daughter of Major Duncan, of Raleigh, a highly respectable family. The young lady is only in her thirteenth year, the daugther of a wealthy and as respectable a family 23 any in the State, and has a large circle of relations and friends throughout the county. That Mr. R. had contemplated this affair, and laid his plan beforehand, there can be no doubt. He had been making preparations to go to Texas for some time, and had when he left, it is said, some \$10,000 or \$12,000. The Whig of the 17th states that Mr. Rembert was arrested at Hickman, Ky., by means of the telegraph.

The entire repeal of the usury laws in Great | necessary attendants. Britain has been accomplished at the recent session of Parliament The act by which this was effected is known as ch. 90, 17 and 18 Victoria, and is now in operation. Is is now lawful in Great Britain to loan money at any rate of interest and on any description of property, either real estate or otherwise.

RISE IN PEPPER .- The ship Ariesto, of Boston, said to have been bound from Sumatra for New York port, and lost on the west coast of Africa, had a cargo of pepper on board, estimated at about 7.500 bags. The news caused the holders of this article to advance their price in the New York market on Tuesday, to 11c. per 1b., sales having been previously made as low as 10 a 10 tc.

KID WELL'S COMPOUND FLUID EXTRACT OF BEECH DROP; Or. Cancer Root.

CELEBRATED REMEDY FOR CAN-CER, ULCERATED SORE THROAT, WHITE SWELLING, BRONCHI-TIS, DROPSY, AND ALL DISEASES ARISING FROM THE IMPURITY

OF THE BLOOD. Prepared by J. L. KIDWELL, Chemist, George town, D. C. The estimate that is now accorded this preparation by the medical profession and by other s competent to judge of its merits, may be seen in the fact that it has been prescribed by many of our most eminent Physicians in this country, and has attracted the attention of a celebrated profession of the Edinburg College, Scotland, by whom it has been successfully used in a career of an aggravated

character. The proprieter has been forced to make more extensive arrangements to meet the rapidly increasing demand for BEECH DROP.

VINCENNES, INDIANA, Get. 3, 1854. J. L. Kidwell-Dear Sir : Some three months ago through the agency of Col Smith Miller, our repre sentation in Congress, I had purchased of you, for the use of my father in Scotland, one dozen Bottles of Beech Drop or Cancer Preparation. I have a letter from my brother, stating that the physician desires you to forward another dozen bottles. He thinks under its use the disease is arrested. I may add that my father has tried every physician of dis-tire on by Scotland and England, including Professors of Edraburg and Colleges, without relief. The disease was of three years standing, began in the right cheek, which is partially consumed. He was a sufferer with constant pain, which has entirely

This case will give your preparation a popularity in Britain which no other medicine has. Direct to William Dick, Esq , Collydean, by Leslie Scotland, in care of Messrs. Penfoed, Clay & Co., Druggists, N. York, who will forward it. JAMES DICK.

Mr. Flint is a man of great influence in his county. and will with pleasure communicate with any one in reference to his case.

CALLAWAY COUNTY, MISSOURI, July 13th, 1854. Dear Sir-With great pleasure I inform that your preparation of Beech Drop has accomplished for me what I thought beyond the reach of human agency For the last twelve years I have been afflicted with Scrofula of a Cancerous form. So extensive was the ulcers and so horrible my appearance that my case became notorious with all the Faculty in this and the adjoining counties-in fact I had obtained the best medical aid in our State, without any abatement of the disease. Through a friend I procured a half dozen bottles of your Beech Drep, after using it, so perfect was the cure, that hundreds visited me. My desire is to benefit my fellow man; with that purpose I beg all afflicted with Scrofula in any form to use it.

Enclosed you will find an order from some friends for the preparation. Very truly, JNO. C. FLINT. For sale by Druggista and Dealers in Medicines in

Ilc often deceived, could not believe the simple sublime truths announced by the discoverer .-But facts, undeniable facts attested by witnesses of the highest class and character, are now triumphing over all doubts. INCREDULITY IS OVER-THROWN by a mass of testimony which is perfectly irre istable.

The ELIXIB remedies, in all cases, the deplorable evils arising from a misuse or abuse of the various organs which make up the wonderful machine called aan. It restores to full vigor every delicate functien connected with that mysterious compound agency of matter and mind, necessary to the repreduction of human life. To persons of feeble muscular frame, or deficient in vital power, it is recommended as the only means of communicating that energy which is necessary to the proper enjoyment of all the natural appetites, as well as the higher mental attributes. Its beneficial effects are not confined to either sex or to any age. The feeble girl, the ailing wife, the listless, ernevated youth, the overworn man of business, the victim of nervous depression, the individual suffering from general debility, or from the weakness of a single organ, will all find immediate and permanent relief from the use of this incomparable renovator. To those who have a predisposition to paralysis it will prove a complete and unfailing safeguard against that terrible malady. There are many, perhaps, who have so trifled with their constitutions, that they think themselves beyond the reach of medicine. Let not even these despair. The Elixir deals with disease as it exists, without reference to causes, and will not

only remove the disorder itself, but REBUILD THE BROKEN CONSTITUTION. The derangements of the system, leading to neryous diseases, and the forms of nervous disease itself, are so numerous that it would require a column to enumerate the maladies for which this prepararation is a specific. COUGHS, COLDS, HOARSENESS, Relief in Five Minutes. ER'S COMPOUND GUM ARABIC SYRUP

THE increasing demand for this most pleasant, safe, and efficacious remedy for all pulmonary diseases, has enabled the proprietor to reduce the price so as to place it within the reach of all classes. Its superiority over most similar preparations is attested by many eminent physicians who have been eye witnesses of its efficacy when the usual remedies have failed; also by thousand of our most respectable citizens who have used it in their tamilies both as preventive and cure with never failing success for the last twenty years, during which period with very little aid from advertising, &c., it has gradually spread reputation over the whole Union. In cases of recent Colds Coughs, Hourseness, &c., it gives immediate relief, and generally cures in a day or two, without interfering with diet or business, or rendering the system more susceptible of Colds, in chronic cases, Asthma, Whooping Cough, Croup, Bronchitis, Affections of the Lungs, and Consump tion, it is always very b neficial. and seldom fails. when commenced in time to perfect a cure.
